

Distributor Newsletter

It's Here! The world's first re-usable fundraiser, Spinners®! Spinners® earns an average of \$210 per group member. That's 97.6% profit! And still 'No Money Up Front'!

And for distributors, just CLICK HERE for a separate promotional flyer that can be downloaded or printed off for distribution to prospective clients. Flyers can also be purchased for only \$.10 each, plus postage.

As a distributor, your commission is as follows: 0-2,499 **Spinners**® sold gives you a commission of \$6 each, 2,500-4,999 = \$8, 5,000-7,499 = \$9, 7,500-10,000 = \$10, and 10,001 + = \$11. When you upgrade a client to the Discount Club or Discount Club Plus, you receive and extra commission: **Spinners**® Discount Club Sale = \$1 per spinner or **Spinners**® Discount Club Plus = \$1.25 per spinner. Distributors can now earn up to \$7.25 per spinner on their first level as compared with \$5 for Scratch & Help and up to \$12.25 on the top level as compared to \$8. When clients order coupons to refill their Spinners®, you will receive a Coupon Refill Commission of \$.75 per coupon pad refill for either discount club or regular coupon pad orders. Be sure and check out the new webpage listed below for a complete listing of distributor commissions.

It is recommended that you have a Spinner sample to use as a loner to prospective clients. If a client is having a meeting you can mail them a sample with a postage paid return envelope and instruct them to return the sample to you after the meeting. As indicated on the Spinners® website, www.SpinnersFundraising.com, a Spinners® sample can be purchased for only \$5.95 to cover shipping and handling. With that order the prospective client will receive an authorization code for two free Spinners® when ordering 10 or more Spinners®.

As a distributor you can order samples in batches of 10 or more at \$3 each. This price includes shipping. This way you can either charge the client to cover the \$3 charge or order one for them off of the website.

ANEW SPIN ON FUNDRAISING

Each member of the fundraising group will receive a customized Spinner with the group's name and logo printed on the cover. Each Spinner is the size of a standard DVD case and contains a spinning arrow which when spun, will land on various donations in amounts ranging from \$1.00 to \$4.00.

The fundraising group's members approach friends, family and neighbors asking them to spin the arrow two or more times to determine their donation amount. In return for their donation, the donor receives a sheet of coupons worth over \$100 from our national corporate sponsors as a "thank you" for their fundraising contribution. Each coupon sheet contains 12 coupons. The coupons can be customized much like the Scratch and Help® fundraiser.

The group member then takes the Spinner and continues asking other people to spin and donate until all the coupon sheets are given out. Once all of the coupon sheets have been given to donors, the Spinner produces an average of \$210 in donations.

Each Spinner sells for \$30 when ordering less than 10. With orders of 10 or more they sell for only \$25 each. The Discount Club can be purchased for only \$5 more per Spinner (\$30 each) and for three years they are able to purchase coupon pad refills for only \$5 each. Or they can purchase the Discount Club Plus for \$7.50 extra (\$32.50 each) and be able to purchase coupon pad refills for only \$5 for the life of the organization. Without the Discount Clubs the refills sell for \$10 each.

For more info on the discount club go to: www.spinnersfundraising.com/refills.php

Be sure and go to each of your clients who have shown interest in the Scratch & Help booklets. If they liked the Scratch & Help program, they will love **Spinners®!**
